WORKING TOGETHER TASK GROUP

27 January 2021

Meeting Summary

The Working Together Task Group met on 27 January to review and approve the updated ToR and timeline for the task group work.

The group reviewed the draft facilitator brief. It was agreed that the facilitator should be engaged in planning and developing the College conversation approach with the task group early in the process. It was agreed that the Provost and Senior Consul would review recommendations for facilitators from the group, seek proposals, and select an external facilitator with selected task group members. The group discussed options for consultation approaches.

The group also received an update on the values project, the feedback received during the values consultation and how this project would be aligned with the task group work to ensure conversations and feedback already captured through the values consultation work will be fed into the WTTG work.
