

## Starter Laptop Pack Protecting homeworkers

Whether or not coronavirus (COVID-19) will require many of us to work from home, the trend of working remotely from home is experiencing a major boost as businesses shift to digital channels and more people avoid physical gatherings or the daily commute.

This starter laptop pack includes the essentials required to set up a workspace at home where you can work safely and productively. Ideally, laptop users would benefit from having an adjustable laptop standand a separate keyboard and mouse.
