

Imperial College
London

mA*ths
Online

**Are you studying A level
Maths and considering applying
for a maths related degree?**

Would you like to develop skills to help you to achieve an A* and build confidence applying to university?

Apply for the mA*ths online programme and receive free online and in person support from Imperial College London.

mA*ths Online Programme

Applications open in the Autumn Term

- Y13 students apply in September
- Y12 students apply in October

During the programme you will:

- Complete tailored online modules covering the challenging elements of the A level Maths curriculum
- Attend regular online mentoring sessions with Imperial students
- Attend face-to-face masterclasses at Imperial College London

This is a free programme and we are seeking to work with students who are under-represented in Higher Education. Eligibility criteria apply (see website for details).

If you are studying Further Maths A level, you may be interested in our Further mA*ths Online Programme.

“I am really grateful for the opportunity to have participated in this programme, I definitely found all aspects of it helpful and I am sure that being on this programme helped me in achieving the grade I want for maths.”

mA*ths Online programme participant, Year 12
